

# JOIN CACI TO CONTINUE YOUR MISSION

CACI's approximately 23,000 talented employees are vigilant in providing the unique expertise and distinctive technology that address our customers' greatest enterprise and mission challenges. Our culture of good character, innovation, and excellence drives our success and earns us recognition as a Fortune World's Most Admired Company. As a member of the Fortune 1000 Largest Companies, the Russell 1000 Index, and the S&P MidCap 400 Index, we consistently deliver strong shareholder value. Visit us at [www.caci.com](http://www.caci.com).

Approximately 38% of CACI's work force consists of veterans, military spouses, and current members of the National Guard or Reserves, and we are proud to provide them rewarding careers in Cyber Security, Engineering, Information Technology, Intelligence, Project Management, and many more.

CACI is also proud to partner with the Dept. of Defense as an active and approved corporate sponsor for the DoD SkillBridge Internship Program for service members in transition. This flyer describes one of multiple internships we are offering in Fiscal Year 23 (Jun 2022 – July 2023).

## DoD SkillBridge Internship Opportunity with CACI

**Locations:** Oklahoma City, OK

**Method of internship:** Combination (In-person & Virtual)

**Clearance:** None

**Duration:** 90-180 Days

**Flexible Start Date**

**Internship Title:** Subcontracting Analyst

**What you'll get to do:**

Intern will work under very general supervision at CACI Enterprise Services center in Oklahoma City. Intern will be responsible for preparation and administration of subcontracts, task orders and subsequent amendments consistent with client requirements, government regulations and procurement policies/procedures. Typically works on subcontract activities valued up to \$700K. May be assigned higher value tasks with oversight from more senior level staff. Intern will also administer and manage subcontracts in accordance with CACI standards, plans and policies. Intern must have solid oral and written communication skills. Intern will also have daily interactions with the Program Team regarding subcontract negotiation, preparation, and monitoring. Intern will be provided the opportunity to learn about this function, and then be given appropriate level responsibilities for the Subcontracting Analyst role.
